Experience

Influencer Marketing Executive **Oyela Technology**

Gurugram
12/25 - Present

- Managed and worked with more than **80+ influencers** per month, discovered new talent, recruited them, negotiated, and fostered long-term relationships to ensure campaigns yield high returns and consistent results.
- Successfully managed **300+ creators** and delivered **450+ videos**, negotiating collaborations and optimizing execution.
- Executed an influencer marketing program with a budget over **₹22 lakhs+**, overseeing all activities from outreach and negotiations to content clearance and delivery while ensuring alignment with the brand objectives and timelines.
- Built and implemented a Google Sheets-based automated payout system to streamline creator payments, improving operational efficiency by around **75%**, reducing manual errors, and ensuring timely disbursement.
- Managed **Platinum/high-budget** creator collaborations, coordinated multiple influencer events, overseeing creator engagement, invitations, and end-to-end execution to strengthen brand visibility and creator relationships
- Reviewed and analyzed creator performance and UGC using **root cause analysis (RCA)**, optimizing ad creatives and campaign strategies to consistently achieve **3x+ ROAS**, improve engagement, and drive higher conversion rates..

Draftman **Veds & Associate**

Dehradun
08/24-09/24

- Utilized Auto-CAD to create 2D technical drawings, layouts, and sectional views of a public smart toilet project. Ensured accuracy of the drawings based on design specifications and project requirements.
- Worked on residential interior renovations along with the project architect by proposing design modifications, optimizing space usage, and improving layout efficiency based upon the clients' needs.
- Produced detailed technical drawings while collaborating with cross-functional team members to guarantee availability of deliveries per project requirements, timelines, and design standards.

Education

Tula's Institute B.Tech, Civil Engineering

Dehradun
2021-2024

IES College of Technology Diploma, Civil Engineering

Bhopal
2018-2021
